

New Chryslers To Be on View Here Wednesday

The completely new, long and lean 1955 Chryslers will be shown publicly on Wednesday, Nov. 17 in 3200 dealer showrooms coast to coast. Showing here will be at Fred Briggs Chrysler, 1885 Torrance Blvd.

"The 1955 Chryslers are totally new from bumper to bumper with a fresh concept of styling that initiates a trend in automotive design," said E. M. Braden, general sales manager, Chrysler Division, Chrysler Corporation. "Chrysler stylists have created a slim, vigorous motor car whose power of attraction matches its power of action."

"Two V-8 engines—a more powerful 250-horsepower Fire-Power V-8 in the New Yorker Deluxe and an entirely new 188-horsepower Spitfire V-8 in the Windsor Deluxe—offer outstanding performance. For 1955 we offer fully automatic Power-Flite transmission, new Power-Flite range selector on the dash, full-time coaxial power steering, a new double-width-pedal power brake, rigid frame and new suspension, and many other chassis improvements."

Styles and Colors

The 1955 Chryslers are offered in two lines this year—the Windsor Deluxe and New Yorker Deluxe. Both lines have a wheelbase of 128 inches. The Windsor Deluxe is available in a six-passenger sedan, Newport hardtop coupe, Newport hardtop, convertible and Town and Country wagon. They are available in a choice of 17 solid colors and 26 two-tone combinations.

New Front End
The 1955 Chrysler's high styling stems from clean, low lines; taut, sleek metal work and careful proportioning.

The long hood sweeps downward between sharply defined fenders and projecting head lights with a feeling of power and assures a close-in view of the road and fenders. The divided two-element functional box-check grille set over a third opening extending across the front of the car emphasizes width and lowness and is topped by a new

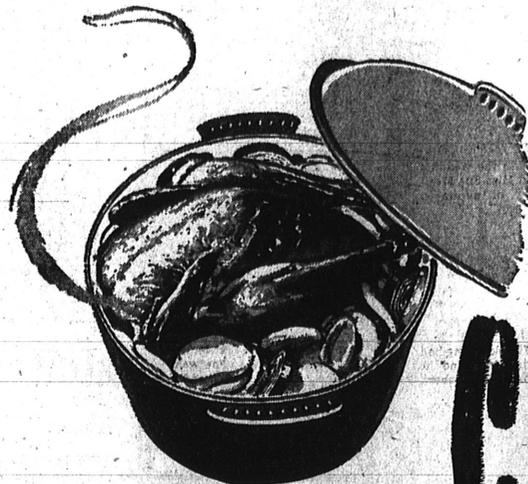

prominent and point up the beauty of wheels and wheel covers.

More Visibility
The superscenic windshield in combination with a slim, gently tapering roof line and increased glass area of all windows lends a light look to the upper body and concentrates its mass

low to the ground. The superscenic windshield is wrapped around at both top and bottom with rearward sloping side pillars conveying the feeling of forward motion. Because the pillars have been moved rearward, visibility is increased throughout the entire height of the windshield. Windshield area has been increased 20 per cent. A road-hugging appearance head-on is created by the tumble home of the sides above the belt line without sacrificing interior space. Hip room, for example, has been increased four inches in the rear heat compartment.

Bowen to Go To National Savings Meet

Biden Bowen, manager of Southwest Savings and Loan Association, will attend the national Savings and Loan League meetings to be held at the Statler Hotel in Los Angeles Nov. 16 through 20.

Before attending the national meeting, Bowen will attend sessions of the California Savings and Loan League, to be held on Nov. 14 and 15. More than 6000 savings and loan companies are represented in the national organization.

The week of Nov. 14 through 20 has been designated Savings and Loan Week in California, and a mid-week radio broadcast will present contributions of the industry. The local firm is rated one of the top 300 firms in the league, Bowen said.

1000 Rabbits Expected at Sunday Show

More than 1000 long-eared aristocrats of rabbitdom are expected Sunday at the El Camino College gymnasium for the Torrance Area Rabbit Club's annual show, second largest of its kind in California.

There will be 24 divisions of judging for the rabbits, according to President George Figueroa. About 800 individuals are expected to enter their rabbits.

The rabbits will not be glad to note that two demonstrations are slated at the 8 a.m. to 8 p.m. show—Mrs. Ann H. Brown, who will show how to sew furs and use them in the home, and Mrs. E. Moore, who will talk on preparing frozen foods.

There is no admission charge.

Cookie Jar Looted
Fifty dollars were taken from a kitchen "hiding place," Mrs. Cecil Thompson, of 4084 W. 176th St., reported to Torrance police.
